

WHY YARNTEX?

Our wide array of products are manufactured from various blends, ranging from 100% cotton to poly-cotton blends and mixes with stretch fibres.

We provide products made from cotton sources from all over the world—be it US cotton, Pakistani cotton, Egyptian cotton, or Chinese cotton. Our products are safe, designed for the safety of the end user, and made to cater to the latest trends.

At YarnTex Trading Company, we give our customers a chance to experience premium quality hotel and home linens, institutional articles, and greige fabrics, covering a range of products, from bed sheets, pillow cases, towels, and duvet covers, as well as a range of yarn varieties that cater to many weaving units.

ABOUT US

Our team specializes in supplying hotel linen to the hospitality industry and supplying household bed & bath linen representing luxury and beauty.

We only work with the best suppliers, sharing age-old relationships that allow us to deliver our primary aim of quality and compliance.

We have always mediated and facilitated for our partners to ensure a smooth supply chain and after-sales assistance, all the while priding ourselves on carrying out our services with honesty and integrity.

Our current customers come from across the globe, from Europe, to North America to Australasia. With a constant urge to expand, we are always in search of reputed companies and brands across the globe to work with.
